

A **LEADER IN PROFESSIONAL**  
AND **INDUSTRIAL TOOLS**  
AND **MACHINERY**

[thttools.co.za](http://thttools.co.za)

## WHO WE ARE

Based in Boksburg, Johannesburg, THT Tool and Machinery has steadily grown over the years to become a leading distributor of professional and industrial tools in the country.

We have a strong focus on building good and lasting relationships with our clients by offering only the best service via our factory authorised service centre and a range of quality brands in the tool and machinery sector.

## WHAT WE OFFER

We stock a wide range of leading professional and industrial tools and machinery that cater to an array of industries such as: earth moving, construction, engineering, fabrication, vehicle dealerships, workshops, aircraft maintenance, trucking, food processing plants and serious DIYers.

We specialise in all engineering, drilling, cutting, welding, pneumatic, power tools and hand tools.

# TOOLS OF THE TRADE

## OUR PRODUCT OFFERING

---

### Power Tools

We offer a wide range of both corded and cordless power tools to meet every need.

### Generators

Keep the lights on with our range of high-quality generators.
